

Pump & Motor Systems Webinar Outline

9:00 to 10:30	Motor Starters, Contacts, Relays, & Solenoids Three Phase Wiring Stator Windings Rotor Core Motor Shaft & Bearings Coupling Pump Shaft & Bearings Packing & Mechanical Seals Impeller Volute Pump & Motor System Efficiency
10:30 to 10:45	Break
10:45 to 12:15	VFD Operation Diodes & Rectifiers Smoothing Capacitors Inverter Circuit Affinity Laws Whole System Troubleshooting Routine Maintenance Tools Troubleshooting Exercises
