

R.O. & Ion Exchange Webinar Outline

8:00 to 9:20	Overview of Membranes Microfiltration & Ultrafiltration Applications Fouling Troubleshooting
9:20 to 9:35	Break
9:35 to 10:45	Nanofiltration & Reverse Osmosis Applications Fouling Troubleshooting
10:45 to 11:00	Break
11:00 to 12:00	Reverse Osmosis Theory Dissolved Solids & Pressures Membrane Types Configurations
12:00 to 1:00	Lunch
1:00 to 2:30	Ion Exchange Softening Cation Exchange & Anion Exchange Regeneration Troubleshooting
2:30 to 2:45	Break
2:45 to 3:45	Ion Exchange versus Reverse Osmosis Activated Carbon Applications Theory Troubleshooting
