

Coagulation Webinar Outline

9:00 to 10:30	Colloidal Suspensions Turbidity & Zeta Potential Chemical, Mechanical, & Thermal Shear Emulsions and Emulsifiers Types of Coagulants Aluminum Based Coagulants
10:45 to 11:00	Break
11:00 to 12:15	Iron Based Coagulants Calcium Based Coagulants Enhanced Coagulation Sweep Coagulation Organic Coagulants Coagulant Aids Determining Coagulant Feed Rates Calculating Coagulant Dosages Mixing
